MIGA · The Beautiful Housing

Using over 45 years of experience and technology to satisfy customers in over 60 different countries!

Shinil Frame manufactures environment-friendly Polystyrene Moulding and possesses approximately 200 patent licenses based on 45 years of accumulated technology.

We export products to 60 countries around the world and are recognized for manufacturing top quality moulding products under the brand name MIGA. We are a company priding ourselves on our export record of over 10 million dollars.

Yet, we put interest of our customers first by adding hardwood charcoal for the first time in the industry.

We have successfully focused on promoting health of our clients and with its superior design, MIGA is one of the most sought after mouldings in the industry. Furthermore, Shinil Frame became the first in the world to manufacture PS doors. This was an effort to meet market demands and raise the standard in the door market.

The source of our growth comes from the loyal support of our clients from all over the world and our efforts to return that favor. With this background, we at Shinil Frame promise to provide even better products and excellent services to satisfy our client's needs.
